REIF Announced As A Fast Brokerage 2021 Winner

Australian Broker Magazine have recognised REIF for their high performance and contribution to the Finance Industry

Brisbane, QLD: On the 29th of November, 2021, Australian Broker Magazine named REIF as a winner of their Fast Brokerages 2021 award. This award recognises brokerages that've experienced more than 30% growth in combined revenue and settlement volume.

"We would like to congratulate the 2021 most successful brokerages" says Warren Shaw, Sponsor and Head of Broker Distribution at Westpac. "Brokers have played a key role in this year's home buying journey..."

"Our brokers have done an amazing job and it is only the beginning" says Melissa Megano, Business Operations Executive at Real Estate Investment Finance. "This accolade is the attribution of all the hard work and dedication to our brokers."

Additionally, Australian Broker Magazine have stated, "Brokers have taken up new technology and ways of communicating and shown their resilience and ability to adapt to a challenging environment."

About Real Estate Investment Finance (REIF):

REIF are the fastest growing property and finance organisation in the country and the number one for all the services that we provide. We have access to the largest property data base in Australia. We provide a proficient beginning to end service and are servicing home buyers, investors and clients in need of finance.
