**Brisbane, QLD:** On the 02nd of September 2021, CEO Magazine named Melissa Megano as an Executive Assistant Finalist for the Executive of The Year Awards 2021.

The CEO Magazine's 10th Executive of the Year Awards will recognise the achievements of leaders and professionals over the past year, and the contributions they have made to their companies.

Following a challenging 18 months for most businesses, this year's awards will focus and honour entrepreneurs and executives who have steered success in a crisis.

"I am extremely proud of her. She is very well deserving of this news," says David Chegade, CEO and Founder at Real Estate Investment Finance. "Melissa gives her all the business and her efforts have really paid off."

"Another day another reason for me to celebrate my role as an Executive Assistant to our awesome CEO at REIF," says Melissa Megano. "The growth I've amassed with the support and empowerment from David Chegade has been phenomenal and I am forever grateful for his superb leadership."

The 2021 Executive of the Year Awards recognises inspirational Australian leaders in business. It highlights those who demonstrate excellence in their role. The 2021 event will be held at ICC Sydney on Thursday 18 November.
