REIF Wins nMB Business of The Quarter

REIF takes home the National Mortgage Broker award for Business of The Quarter for Queensland

Brisbane, QLD: On Thursday 17th of February 2022, nMB named REIF the winner of Queensland's Business of the Quarter at their quarterly Professional Development Day (PD) event. This award recognises the top performing brokerages around Australia for October to December 2021.

"This is a great achievement for our finance team at REIF" says David Chehade, CEO at Real Estate Investment Finance. "I'm so proud and cannot wait to see what 2022 brings!"

"Our finance specialists work around the clock to ensure great results for our clients" says Melissa Megano, the Business Operations Executive at Real Estate Investment Finance.

"This is just a reflection of how hard they work."

The nMB PD day event enables brokers to develop their skills and keep up to date with industry developments. It also highlights the businesses and brokers who've excelled in the quarter.

About Real Estate Investment Finance (REIF):

REIF are the fastest growing property and finance organisation in the country and the number one for all the services that we provide. We have access to the largest property data base in Australia. We provide a proficient beginning to end service and are servicing home buyers, investors and clients in need of finance.
